

REMARKS

Attorney for Applicant has carefully reviewed the Restriction Requirement on the above-identified application.

Applicant elects to prosecute the claims of Group I drawn to subscribe to a service and establishing user accounts. Applicant respectfully submits that claims 1-28 and 34-44 read on Group I. Applicant is filing a Divisional Application on even date herewith to cover the invention of the remaining claims.

Applicant has made this election to expedite prosecution of the above-referenced application and does not make any representation as to the merits of the Restriction Requirement.

All issues raised in the Restriction Requirement are believed to have been addressed. Claims 1-28 and 34-44 are pending in this application. Applicant respectfully submits that these claims are directed to the same invention and are in condition for allowance. Examination is requested and favorable action solicited.
